## Fund Raising Division

We put the Fun in Fund Raising

Dear Fundraiser,

Could your organization use an extra **\$1,000.00, \$1,500.00 etc**? If so read on. I would like to introduce you to an exciting means of raising funds for your organization. **A Mirror In Time** has developed an exclusive **Family Portrait** fundraising program. With this program your organization has the opportunity to retain **100%** of all monies collected.

Let me ask, do you have a recent family portrait? Surveys show that, although they would like to, most families do not. Together, we can fulfill that need and, at the same time helping your organization raise needed funds. Our Family Portrait Program is a unique, lucrative way for your organization to raise funds.

As stated, one the unique features of our program is the fact that your organization can retain all of the funds that you collect, unlike other programs where you only retain a small portion of the sales. The program can be executed within 6 weeks (three weeks which are dedicated to sales). Each coupon that you sell entitles the purchaser to one sitting fee of one of our Family Portrait package. As you can see this is a great selling opportunity!

In addition to gracing the family room or den, a **New Family Portrait** makes an excellent gift for Grandparents, Godparents, Aunts and Uncles. These portraits make a wonderful gift any time of year.

Although most people are exposed to hundreds of professional photographs weekly, very few have any idea of what is involved in the production of a high quality portrait. At A Mirror In Time we use years of experience, along with state of the art equipment, to produce beautiful portraits on location. We literally bring our studio to your location.

In selecting a fund raising program many factors should be considered:

- **Inventory** - With our program there are no leftover product remaining after the program.
- **Value** - A \$10.00 coupon is redeemable for one sitting fee for one of our Family Portrait package.
- **Incentives** - The program coordinator is given a free Family Portrait package (\$85.00 value).
- **Profit** - Our program allows you to keep 100% of funds you collect.

- **Guarantees** - Your customers are guaranteed satisfaction.
- **Time** - Our program can be executed in six weeks.

Of course customer satisfaction is our main goal, and we will be happy to discuss our program with you. You will find that our program is truly fun and easy. Also, there is no leftover product remaining after the program. You can be confident that you and those who support you will be satisfied with portraits provided by A Mirror In Time.

Thank You.
